PLEASE SEE NOTES ON OTHER SIDE OF PERMIT FOR ADDITIONAL INFORMATION AND REQUIREMENTS

PLEASE NOTE

- 1. Applicants are hereby notified that additional Federal, State, or Local permits requirements may be necessary.**
- 2. For projects located more than 150 feet from a town road, an applicant should review building location and access with the Fire Department and Rescue Squad before applying for a building permit.**
- 3. For projects located in a subdivision and on a private road, the applicant should review all fire and access requirements of the approved subdivision and note if they are complete before applying for a building permit.**
- 4. All permits must be initiated within one (1) year of issuance. No renewals or amendments are allowed.**
- 5. Interested parties may appeal the decision of the Land Use Administrator within 15 days to the Zoning Board of Adjustment. Further appeal may be made to the Superior Court. If not appealed within 15 days, applicant shall lose all rights of appeal and the Zoning Board of Adjustment shall be final.**
- 6. 911 signage is to be erected in a visible location at the start of construction.**
- 7. If more information is needed call the State Permit Specialist at 802-786-5907.**
