## **Payment Options**

\*NEW\* You can now pay your property taxes on our Website at [arlingtonvermont.org](http://arlingtonvermont.org)! Under the Treasurer's tab you will find a link to pay your taxes electronically through Doxo. If paying with ACH, there are no fees involved. Doxo also offers a credit card, debit card or Apple Pay option with a fee that is the responsibility of the resident. There is still a secure Dropbox in the foyer of the Town office building where payments can be made at your convenience and thanks to the wonderful staff at the Bank of Bennington, we will continue to offer a payment option directly with the local branch. Please remember this is a convenience the staff has extended to us. As always don't hesitate to contact me if you have any questions and I look forward to another great year as your tax collector!

Cash, Check or Money Order: Payable to: Town of Arlington. This can be done through mail (address above), Town Hall drop box, in person during select hours or at the local branch of The Bank of Bennington. We encourage those paying in cash to utilize this convenience.
