## MINUTES

The Grievance Meeting was declared open on June 22, 2026 at 10:00 AM. Listers present were Lee Cross and Collette Galusha.

On May 21, 2026 an email was received by the Listers from Ryan Muldoon representing Comcast requesting a Grievance for their property tax account (00-00-100 and 00-00-200). They feel that the assessed value set by PVR (Property Valuation and Review) is greater than the fair cash value of their equipment. Decision: DENIED. Next step: BCA.

On June 1, 2026 an email was received by the Listers from Arjun Naik from Kroll Global Solutions LLC representing Verizon Wireless requesting the 2026 Assessment Notice for Bennington County for their property located at 487 Butternut Gutter and Tory Lane (0013-1-02.1 and 0004-1-14.2). Decision: DENIED. Next step: BCA.

It was noted that prior to the Grievance meeting Listers were contacted by Nancy Elizabeth Hagelberg (11-1-03) stating that she received a Change Notice by mistake. It should have been sent to Nancy L. and David Hagelberg (11-1-03.1). Decision: Listers made the correction.

Listers were also contacted prior to the Grievance meeting by Daniel Wood whose barn had fallen down and been removed. Decision: \$10,500 was removed from the listing (9-1-03).

No other phone calls, emails, or walk-ins occurred during the Grievance Meeting time from 10 AM to 1 PM.
