Evening Katie,

Here is what I came up with for the fence prices.

To furnish and install a 4' high x 10' wide gate, with new hinges and a new latch at the bridge on East Arlington rd

Total \$687.00

To fix the fence at the softball field.

Retie approximately 45' of fence. Straighten 3-4 post. Rehang the gate with new hinges.

Total \$455.00

Let me know if they want any of this done.

Thanks Adrien
